Subject: Western IRB (WIRB) Fee Processing

If a for-profit sponsor is unable or unwilling to receive and process invoices directly from the chosen IRB of record, including Western Institutional Review Board (WIRB), UF study teams and departments will charge an additional 10% administrative processing fee in addition to the standard Finance & Administration (F&A) rate of 30% to every IRB invoice that is received, processed for payment, and then invoiced back to the sponsor.

Sincerely,

Jason Cline
